

Bulletin WS 2014-004

Datum : 24.03.2014
Zeichen : Wasserbau Modules

Courses of Studies: Civil Engineering (B.Sc. and M.Sc.)

Modules:

Hydraulic Engineering and Water Resources Management 1 - 6

Strukture of studies in Hydraulic Engineering and Water Resources Management

Courses of Studies: Master

2. Sem.
(WS)

Wasserbau 3
Hydropower Plants
and river continuity

Wasserbau 5
Operational river basin management

1. Sem.
(SS)

Wasserbau 4
Basics of
River basin management

Wasserbau 6
Economics in water management

Courses of Studies: Bachelor

7. Sem.
(SS)

Wasserbau 2
Hydraulics and sediment transport

6. Sem.
(WS)

Wasserbau 1
Hydraulic engineering, planning principles and systems
