### NEW STUDENTS ARRIVE IN VÄXJÖ

ESN Växjö welcomes new students! The board will be part of the Arrival Day on the 25th, together with LNS, where they will have a service point to show students where to pick up keys and how to get to the University.

**During Welcome Week**, students will have the opportunity to learn more about ESN Växjö, future trips and activities such as games and fika, movie nights and much more. Buddy activities are also being planned.

All precautions are being taken to follow social distancing guidelines due
